**RE: Proposed Borrishbeg Renewable Energy Development**

Dear Householder,

I hope this letter finds you well.

I wish to update you on the proposed Borrishbeg Renewable Energy Development. The project Environmental Consultants, MKO, continue their preparation for a planning permission application for the proposed development and as more information becomes available, I will continue to update you.

The site surveys continue to be carried out gathering all required data for the compilation of the necessary documentation that will accompany the planning application. In the meantime, we are preparing to hold a public information exhibition to provide an opportunity for public viewing of the information available to date.

The applicant for the planning application will be Buirios Ltd, which is an associate company of Enerco Energy Ltd, formed specifically for the Borrishbeg project. This is a standard procedure for all projects of this nature, and Enerco will continue to manage the proposed development.

The public information exhibition will be hosted in the Templemore Arms Hotel, on Thursday 1<sup>st</sup> June from 4:00 pm to 8:30 pm. Information about the proposed development will be on display and members of the project team along with myself will be present to answer any queries. See overleaf a copy of the advertisement which will appear in the next edition of the Tipperary Star to inform the wider community of this event.

Everyone is welcome to attend the exhibition, however, there is no obligation. All information made available on the day will also be uploaded to the project website, [www.borrisbeginfo.com](http://www.borrisbeginfo.com). I can prepare an information pack for anyone that may not have access to the website and are not able to attend.

Thank you for taking the time to read this letter and as always if you have any queries regarding the proposed development, please feel free to contact me by email at [clo@borrisbeginfo.com](mailto:clo@borrisbeginfo.com), by phone 086-0841815, or through the 'contact' portal on the project website.

Yours sincerely,

James Crowley

Buirios Ltd.
